MEETINGS ON CAMPUS

Dr. Tamilisai Soundararajan, Hon'ble Governor of Telangana inaugurated the two-day workshop on "Comprehensive National Nutrition Survey: Regional Data User Workshop". The workshop was being organised at ICMR-NIN jointly with UNICEF and Population Council (11th Feb).

Dr. R. Hemalatha, Director, ICMR-NIN presented our Institute's Centenary stamp to Dr. Tamilisai Soundararajan, Hon'ble Governor of Telangana during a brief appointment meeting in Raj Bhavan, Hyderabad.

Gracing the occasion, Hon'ble Governor of Telangana Dr. Tamilisai Soundararajan spoke elaborately about the importance of nutrition for the national development and nutritionally healthy India. From her own experience as a medical practitioner, she cited cases where misconceptions myths & beliefs have hindered people from embracing nutritional schemes and supplements that government provides. She explained that in many families gender based discrimination is still rampant but situation is getting better now. She called for exploring the scientific rationale behind some of the traditional and regional food practices.

Dr. Hemalatha R, Director, ICMR-NIN delivered the welcome address. Dr. Robert Johnston and Dr. Praween Agrawal of UNICEF-India also spoke. Dr. Bhanuprakash Reddy, HoD, Division of Biochemistry, Dr. P. Raghu and other senior scientists also participated.

SPECIAL GUEST LECTURE

A special guest lecture was organised on 'Fulbright–Nehru and other Fulbright fellowship opportunities in the US'. Dr. Monika Setia, Regional Officer, U.S.-India Educational Foundation (USIEF), Fulbright Commission in India from U.S. Consulate General Hyderabad elucidated about the fellowships and application processes (18th Feb).

JOURNAL CLUB

Dr. Vandana Singh, ICMR-SRF presented her plan and progress of work on “Translation of traditional formulation ICMR–NIN–d–C Formulation (under patent) in Menopausal Syndrome (*rajonivritti janya vikrit avastha*) – A Reverse Pharmacology Approach” in the journal club on 14th Feb.

Dr. Uma Kailash, Technical Officer B presented a paper titled “Impact of 2013 ASCO/CAP guidelines on various HER2 reporting categories in breast cancer by fluorescent in-situ hybridization and Immuno-histochemistry: A meta-analysis with systematic review” (by Pasricha1 et al - The Int. J. of Molecular and Immunooncology, Jan-April 2020).

LIVE PHONE-IN PROGRAMMES ON DOORDARSHAN

As part of the ongoing NIN-Doordarshan collaborative series, live interactive phone-in programmes were telecasted on DD Yadagiri.

Dr. B. Dinesh Kumar, Scientist G & HoD, Drug Safety, spoke and answered viewers' queries on “Heavy metal pollution and nutrition” (26th Feb).
